Corporate supply programmes

Scheduled workplace replenishment

For customers with recurring requirements, Septacon can arrange agreed delivery frequencies, repeat order lists and consolidated invoicing. Supply schedules and quantities are confirmed with each customer; minimum purchase commitments apply only when agreed in writing.

Bulk and project procurement

We also respond to one-off requests for larger quantities, multiple delivery locations and non-catalogue items, subject to sourcing feasibility and a written quotation.

Request a quotation

1. Provide product codes or descriptions and quantities.

2. Include required brands, technical specifications and delivery address.

3. State your requested delivery date and billing details.

4. Septacon will return a quotation indicating price, VAT, lead time and validity.
